

We are proud to support PharmAid 2019

We are incredibly proud to be supporting the PharmAid scheme once again this year. PharmAid is an initiative, organised by the Commonwealth Pharmacists Association (CPA) to collect valuable pharmaceutical texts that can be sent to developing countries.

Our AAH drivers are ready to collect your books for donation

These resources are not so readily available in many countries but, together with PharmAid, we can help change that. In fact, last year AAH drivers collected over 5,000 books that were delivered to places including Uganda, Sierra Leone and Zambia.

This year we are collecting good condition copies of the past two issues of the **BNF; 74** (blue cover) and **75** (purple cover), **BNFC 2017-2018** (orange) and the **38th edition of Martindale**. Simply hand them to your AAH driver between now and 17 March 2019.

Thank you so much for all your continued support for this worthwhile scheme.

Yours sincerely,
The AAH Team
